Club News

We are so excited to see so many of our dancers going to various festivals in the bay area and beyond! Think about telling people during club nights the dances you are planning to go to. It is nice to carpool with people and to meet up during festivals for dinner.

Also, here is a big shout out to our solo dancers! Thanks for making our rotation board work so well! It is true that not all clubs, festivals, or dances use this system, but we can be leaders in demonstrating how well it works. If you are ever at a dance and need a partner, do not hesitate to ask one our club members to help out. A lot of us can dance either position. The important thing is to get out there, dance, and have fun!

New Dancers: If you have any questions or suggestions, we are always eager to hear from you!
